What do past alumni say about PLTI?

“At Providence PLTI I have learned that society is a moving vehicle that is fueled by the passion of the people who are willing to learn as much as they are willing to teach. Can’t keep it until you give it away!”
- Steven, Alumnus 2015

“PLTI impacted me. Now I feel more confident in expressing my ideas and opinions.”
- Bienvenida, Alumna 2016

“PLTI has given me the strength to be myself in ways I never thought possible. Now, I am more vocal and more secure when making requesting or advocating for my community. I feel prouder and prouder of everything that we have accomplished up to this point.”
- Gipsy, Alumna 2017

“If all the valuable information that we gain through PLTI is not put into our community than it is of no use to us and the people that we serve or represent. It’s much bigger than a classroom experience.”
- Michelle, Alumna 2018
